Let's unlock our potential and shape a future of endless possibilities together.

Message

Mr. Aamer Aziz

Director General
(Operations-II)

Dear SkillMag community,

SkillMag aims to emphasize the transformation of career planning and placement activities, offering TEVTA trainees and graduates the opportunity to gain the necessary exposure to succeed in their respective fields and attain their objectives. I am thrilled to share with you the latest developments in our career placement activities and career counseling program.

The primary objectives of the career division centers are twofold: first, to cultivate an environment that facilitates meaningful connections between job seekers and employers; and second, to empower TEVTA graduates to effectively navigate the competitive job market and embark on successful job hunts. We aim to bridge gaps and forge new connections, creating a platform that facilitates the exchange of knowledge and fosters innovation.

I take great pride in my team's remarkable accomplishments in automating the entire process. Their dedication, expertise, and unwavering commitment have turned this vision into a tangible reality. Lastly, I strongly urge all our students and alumni to make the most of the valuable resources and opportunities provided through our career placement activities and career counseling program. With their assistance, I am confident that our students will continue to excel and achieve remarkable success in their professional journeys.

Best Regards

LANDSCAPE OF TEVTA PUNJAB

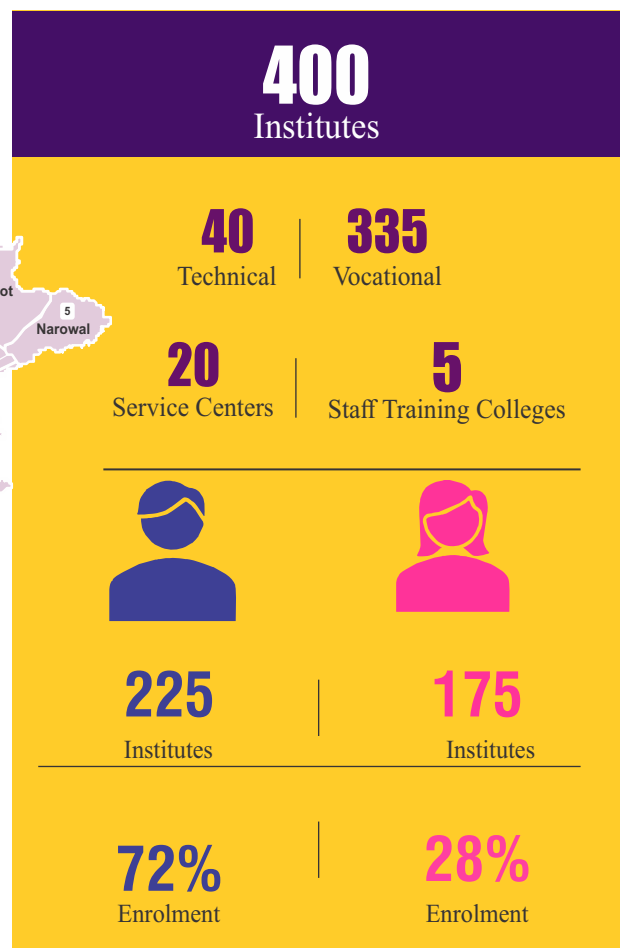

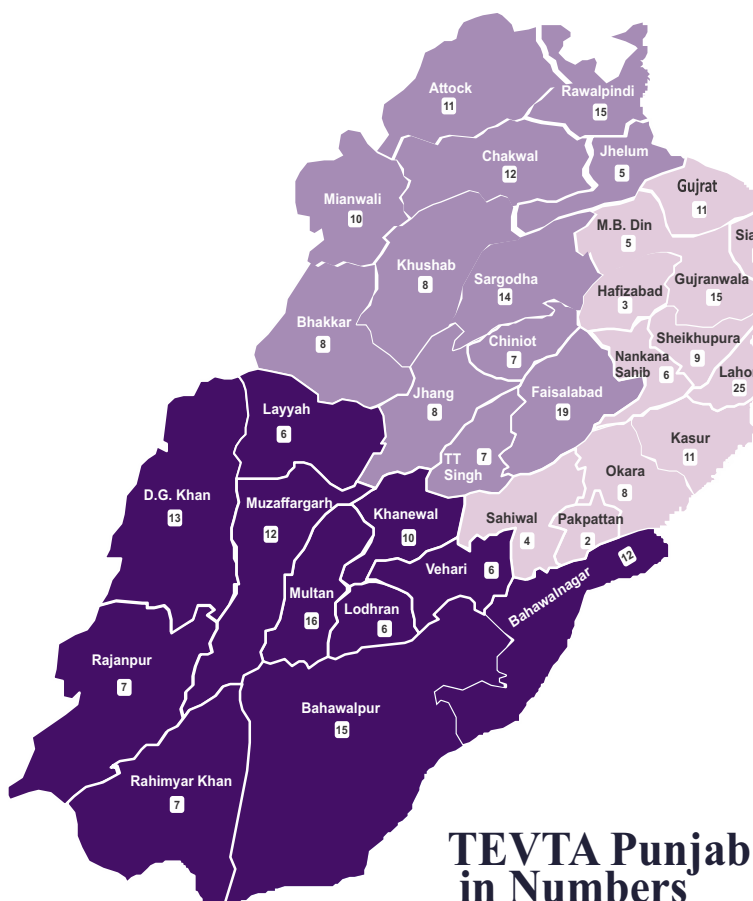

Technical Education & Vocational Training Authority (TEVTA) is a Special Institution established in 1999 under the Industries Department, Govt. of the Punjab; currently being governed through TEVTA ACT 2010 for provision of Technical Education & Vocational Training in Punjab.

In order to extent complete autonomy for reorganization and effective management, the policy making task had been entrusted to the P-TEVTA Board of management. TEVTA Board consisting of eminent professionals, from public and private sector, representatives from leading industries, universities etc. Board has 15 members, including 3 females and 3 Ex-officio members. The Chairperson of the board is the Chief Executive Officer, while the Chief Operating Officer serves as the board's secretary. Major six functional departments are headed by concerned Director General.

TEVTA is divided into 3 geographical regions, namely Centre, North, and South, each led by a Regional Director under Director General Operation-I. Additionally, there are 20 districts under TEVTA's jurisdiction, with each district being headed by a District Director under Director General Operation-II.

TEVTA is the Largest Skill Provider in Punjab offering 150+ courses ranging from 03 Months to 04 Years in 18 Sectors

FOSTERING SELF ACTUALIZATION

The Punjab TEVTA Career Division strives to establish an environment that encourages interaction between TEVTA trainees/alumni and industry/employers. Our aim is to create an interface that aligns industry requirements with the aspirations of the trainees. The career Placement cell has several key objectives, including maintaining connections with TEVTA alumni, facilitating jobseekers (TEVTA Alumni) and employers, preparing trainees for employer expectations, grooming them to adapt to the industrial atmosphere, and instilling the qualities needed to embrace industry challenges and excel as professionals.

To achieve these objectives, Career Division has devised different activities for the benefit of trainees/alumni.
